Location: West Glacier Fire Hall and West Glacier Restaurant

Attendance: John Gladder & Ann Fagre

No members of the public attended.

John Gillespie had an excused absence.

The purpose of the meeting was to review draft by-laws for the committee. They were provided for review by the Planning and Zoning office.

9:00 – 9:10 AM - John and Ann met at the Fire Hall. Since John Gillespie was not attending we did not have a way to meet inside. We waited to see if any members of the public arrived then decided to continue the meeting at the West Glacier Restaurant.

9:45 - meeting called to order

John and Ann reviewed the draft by-laws and made a few notes on some minor changes and questions to follow-up on with staff at Planning and Zoning. Ann agreed to do the follow-up phone call.

Once a final copy of the by-laws is ready the entire committee will meet to sign the document and forward to the Commissioners for approval and adoption.

10:15 - meeting adjourned
